Dear Member,

If you are looking for talents, read this:

At the French Chamber of Commerce in Sweden our HR and Recruitment department is acting as a recruitment agency specialised in bilingual and multicultural profiles.

Every month we interview candidates for potential and opened roles.

You will find, hereafter, a list of the top candidates that we have met in November and December, they are all looking for a position.

If you are interested by one of our talents, please contact us directly to:
